Full Postal Address list – JLR Plants

Why are we asking you to check your commercial/proforma invoice?

We are having a common fault with regards to the delivery addresses being incorrectly shown on commercial/proforma invoices, the following pages show the **CORRECT** full delivery addresses for our JLR Plants.

What is IPR?

IPR is – Inward Processing Relief, this is a method of obtaining relief from Customs duties on your products, and the wrong Postal delivery address (including the postcode) on your invoice can cause JLR to pay more duty unnecessarily.
